

Beth Shiroishi is Senior Director- Wholesale in BellSouth's Regulatory and External Affairs Department. Responsibilities include policy, advocacy, and compliance for a wide range of issues including wholesale, broadband and Voice over Internet Protocol services.

Beth joined BellSouth in 1998 and has held jobs in various areas including pricing, product management (local interconnection, switched access, and collocation), and interconnection agreement negotiations. Just prior to joining the Regulatory department, Beth was a Director in BellSouth's Interconnection Services group overseeing the negotiations of all interconnection and resale agreements with CLECs.

Beth is a graduate of Agnes Scott College and was in education prior to joining BellSouth.
